

Volunteering at Walk-In Counseling Center

ABOUT US

Walk-In Counseling Center was founded by a group of psychologists in 1969, in response to the unmet need for accessible mental health services in the Twin Cities. For the past 52 years we have provided free mental health and crisis counseling to help thousands of people and their loved ones address issues of depression, anxiety, chemical abuse/dependency, trauma, domestic violence and a variety of other emotional and interpersonal concerns.

Our mission is to provide, free, anonymous, easily accessible mental health counseling to people with urgent needs and few service options. Our overarching goal is to help people stabilize during a time of crisis and move towards resolving problems before they become severe.

We are, to our knowledge, the only mental health service in the world staffed entirely by volunteer clinicians.

ABOUT VOLUNTEERING

We rely on the expertise and generosity of our many **volunteer counselors and team consultants** to deliver high quality counseling to people with urgent needs; **volunteer clinic receptionists** to coordinate during clinic hours, and **administrative assistants** who support Walk-In during non-clinic hours. Walk-In volunteers bring passion, compassion, and dedication to their work with clients.

At our primary site at 24th and Chicago in Minneapolis, volunteers work in teams (several counselors, a team consultant and a clinic receptionist) during each counseling clinic. During the pandemic, they worked virtually, but as we transition to in-person again, we will maintain virtual phone and internet.

Volunteer counselors see clients for two hours, then the team continues in team consultation for another two hours, discussing the issues and challenges presented.

Typically community volunteers commit to one clinic on a bi-weekly (every other week) schedule. Students interns work on several clinics. Still other volunteers substitute. Although Walk-In emphasizes the importance of continuity in the volunteer force, different commitment options are available. **Clinic volunteers' schedules must permit a commitment to a regular (weekly or bi-weekly) afternoon or evening shift for at least 8 months.**
